

# Accessibility Request Form

The University of South Carolina Press is happy to provide students with digital files (PDFs) of textbooks that faculty have assigned to students with disabilities. If a digital edition of the book is available, we will provide a copy free of charge upon receipt of a formal request from the student's campus accessibility service office on the condition that a copy of the book has been purchased by or on behalf of the student.

Submit completed forms by mail or email to:
